

CURRICULUM VITAE

PERSONAL INFORMATION

Name: **Ayisu Cyril**
Nationality: Ghanaian
Marital Status: Single
Address: Ho, Ghana
Telephone: 0551805905
Email: ayisucyril@gmail.com

OBJECTIVE

A highly disciplined and patriotic Senior High School graduate currently pursuing a university education, with a strong commitment to national development and public service. With proven leadership experience, I possess strong integrity, attention to detail, and excellent teamwork skills essential for the role of a Mobile Registration Workstation Operator with the National Identification Authority (NIA). I am eager to apply my technical aptitude, organizational abilities, and commitment to accuracy in capturing and managing biometric and personal data to support efficient national identification registration across the Republic of Ghana.

EDUCATION

2017 – 2020	Akatsi Senior High Technical	WASSS Certificate
2021	Haavad College, Kokomlemle	WASSS Certificate
2023 - current	Ho Technical University	Degree

EXPERIENCE

2017 – 2020, Class Prefect, Akatsi Senior High School Technical School

Schedule of Work

- Organized colleagues for class activities and ensured timely contributions for class projects.
- Oversaw collaborative academic tasks, fostering teamwork and accountability within the class.

2019 – 2020, Leader, Army Cadet Corps (OC), Akatsi Senior High Technical (Akast)

Schedule of Work

- Mobilized and trained cadet members for inter-school, regional, sector, and national drill competitions.
- Achieved notable results in competitions: 4th (inter-school), 2nd (regional), 2nd (sector), and 3rd (national), demonstrating effective leadership and training methodologies.

2022 – 2024, ICT Trainer & Volunteer, GIFEC Ghana (Girls-In-ICT, Women Entrepreneurs, Persons with Disabilities, Youth, and Artisans Training)

Schedule of Work

- Actively participated in and supported various GIFEC Ghana initiatives, providing ICT training to diverse groups including girls, women entrepreneurs, persons with disabilities, youth, and artisans.
- Contributed to bridging the digital divide and empowering community members through digital literacy.

2023 – 2025, Volunteer Coordinator, CodeForAll Foundation

Schedule of Work

- Organized and conducted ICT training sessions for young people in Senior High Schools (SHS) and Junior High Schools (JHS).
- Contributed to digital literacy and skill development among youth in various communities.

2025 – 2026 – President, Computer Science Department (COMPSSA), Ho Technical University

Schedule of Work:

- Lead and coordinate activities of the Computer Science student body, promoting academic excellence and collaboration.
- Represent student interests in departmental meetings and decision-making processes.
- Organize academic programs, workshops, and training sessions to enhance students' technical and professional skills.
- Foster teamwork, discipline, and innovation among students within the department.

SKILLS
